

## ABOUT US

Shaq's Mobile Detailing is a reputable company, established in 2019. Since then we have grown to become a reliable company offering top notch detailing services to all of our clients. We are proud to be ranked as one of the top mobile detailing companies in TN, as well as host several committed clients in AL, GA, KY and FL.

Our luxury detailing services have lots of convenient advantages for our clients as we personally strive to understand your individual and/or corporate needs to deliver the best services at the best prices.

We mostly value in-person communication to present our exclusive custom detail packages and contract opportunities. Please contact us and let us know a convenient time to meet with you so that a representative from our company can visit you.

**FULLY TRAINED, LICENSED AND INSURED.**
